

## **DISTRIBUTOR GUIDELINES**

To be eligible for distributor pricing you will need to agree to purchase a minimum of three (3) Slant Board cases (12 boards per case) within a calendar year. The calendar year starts at the signing of the Agreement. The unit cost per board will be reduced with a larger quantity of cases are ordered.

We will ship to you, as needed the amount of Slant Boards you require when you request. Additionally we will only charge you for the boards you take delivery of plus shipping and handling. This will save you the need to store a large amount of Slant Boards yet receive the benefits offered of the lower price of a larger purchase.

You will be required to provide Credit Card information for Visual Edge, Inc. to keep on file and authorized Visual Edge, Inc. to charge that Credit Card for the Slant Boards delivered to you throughout your calendar year. Once again, you will only be charged on the day of shipping for the amount of Slant Boards you have requested to be delivered plus S&H. At the end of your calendar year if you have not already received the entire quantity you ordered you will be shipped the balance of the Slant Boards you agreed to purchase and be charged for the remaining balance at that time.

Call or email now to find out how much you can save when becoming a Distributor.
